Beloved Children of My Heart:

I am happy to announce to you that My Beloved Son and Daughter, Morya and Mary, Mother of Jesus, have been chosen by the Celestial Hierarchy as Joint Sponsors for the planet Earth's evolution for the coming year of 1954.

The Christmas Season being at hand, when almost the whole world now celebrates the Birth Date of the Beloved Jesus, I have thought that you would enjoy hearing from the Dear Mary's own lips how the Holy Family kept Their Son's Birthday in those days long ago in Judea.

Thanking you for your past year's endeavors, and for the many kindly expressions for a 'Happy Christmas' that have already reached Me, I enfold each one of you, beloved ones, in the consciousness of your own Immaculate Christ Self. May Its full Illumination enfold you and those you love this Holy Christ Mass Season.

Blessings and Love,

MAHA CHOHAN

BELOVED MARY'S ADDRESS

Dear Ones:

As there are so many of Our Friends walking the Earth today who celebrated with Us the Birthday of Our Son in those days long ago in Nazareth, I often think of those days and wonder how many of you recall the simple homely 'family honors' accorded Him.

Early on that morning, I baked fresh unleavened bread and drew sparkling water from the well. Our friends gathered leaves and vines and We garlanded the simple rooms with loving hands and gentle hearts, and He would smile, and sometimes, with His own blessed hands, He would weave the responsive leaves into the garlands Himself. Oh, the blessed leaves within His hands - shining with the Happiness of His Presence! Nature always rose to its full responsive height in His Presence, feeling that which man ofttimes is unable to sense in his greater arrogance and self-importance.

Those of Us who loved Him would walk, long before the people were yet about, to the Temple, and there, together, We would glorify the Lord, and I know that, silently, for He would have rebuked Us otherwise, We would thank God for HIM. On that day He would not 'go forth', but give the day to Us. How precious were those few days when I did not, with trepidation, see Him go forth upon His Mission, but felt the comfort of His Presence and the abiding joy of His proximity.

Sometimes one of you would ask Me to tell of the Nativity, and sitting, perhaps in the shade

of the trees, We would go over the beautiful story that has now been woven into your Christmas Pageant. Jesus would often bring in a point of Law to clarify the experiences as I wove them, for your pleasure, sometimes accompanied by My busy fingers weaving the flax into a tapestry. In this way was recorded in the minds of those who loved Him the story of the Gospels which would commemorate His coming to generations yet unborn from the womb of time.

The children of the village and the close friends would come in the evening, and we would sing together the old songs of David and of Israel's glory, and then He would talk to Us of Heaven, and tell Us of the One Eternal King and Father of all hearts and souls and spirits; and thus the Birthday of Our Beloved Jesus, now called the Christ Mass Day, would pass, and He would walk forth again on the morrow.

Thank you, beloved Friends of the Ages, for remembering both My Beloved Son and Myself. May the fullness of the Christ Season manifest through your hearts and spirits and those of all mankind; and may you enjoy the association which I anticipate We shall have, one with another, in the New Year, in My Office as Co-Sponsor for your dear lifestreams.

Yours in Gentle Love,

MOTHER MARY

Dearly Beloved Children:

The approach of the Christmas Holidays brings the Presence of the Masters very much closer to the consciousness of the people of Earth, and We shall appreciate any particular thought you may care to give to the unfoldment of the Higher Nature of the race.

As this Season is most advantageous for Our Spiritual Harvest, We press into the seven-week period all the Light that the Cosmic Law will allow by the up-reaching of mankind's thought and feeling to the Octave of Celestial Giving. Therefore, the intensification of the calls and invocations of the students at this time doubles and trebles Our opportunities to give. So if you can lift your thought heavenward, particularly during the Christmas Week itself, you will have afforded Us a personal blessing, as the greatest good that We can give is more of Ourselves.

The CHRISTMAS SPIRIT begins to flow around the first of December and carries through for seven weeks until the 12th or 14th of January. The Christ Spirit is an outpouring of Love and all the Perfect Qualities from the Angels, Masters, and other Divine Beings, and it pours over the Earth like a golden rain of beautiful particles of Light. Each particle is like a nine-pointed star, and the entire lower atmosphere of Earth and all the bodies of the people are enveloped in it. It increases in power until Christ-
